SAINT JOHN, N. B.:

WILLIAM M. WRIGHT, PRINTER AND PUBLISHER,
PRINCE WILLIAM STREET.

[This publication, it is confidently expected, will prove of eminent service to the Merchants, Shipowners, and others interested in the Shipping of the Port of Saint John.

The list of subscribers is pointed to as a sufficient proof of its importance, and may also be looked upon as a guarantee of the favorable reception that would be accorded to any similar work more comprehensive in its plan. The present book, therefore, may reasonably be looked upon as the precursor of another which will embrace *all* the ports of the province.

The space after each letter will no doubt be found sufficient to admit of the names of new vessels, &c., being added for some time to come.]
